TU Delft – IBM Workshop

Big Data – The computational challenges
TU Delft & IBM Collaboration

Wednesday 19 June 14.00 -17.00

Room F, EWI building - Mekelweg 4 Delft

PROGRAM
14.00 Welcome and introduction

Technical Program
14.10 Delft Data Science - Geert-Jan Houben – TU Delft

Big Data Architectures:
14.20 Memory coherent FPGA extensions for Power 7 - Peter Hofstee - IBM
14.40 HW/SW co-design - Koen Bertels - TU Delft
14.50 Big Data in Bio-informatics - Zaid Al-Ars - TU Delft

15.10 Break

Educational Program
15.25 Introduction : IBM’s experience with Big Data in education
15.40 Presentation on IBM Streams
16.10 Presentation on IBM Insights
16.30 Q&A
16.50 Reception

So please, let us know your presence @ www.aanmelder.nl/tudelft-ibmforum/

Contact persons: Prof. Geert-Jan Houben and Prof. Koen Bertels
Event coordinator: Eveline Vreede
